Volumes 1-9 on sale now!

Hi, again! Just so you know, the official Volume 9 translation is out now, and I'm sure that Volume 10 is soon on its way. Please support the authors by buying their works. In fact, the official translators probably put out a much better end product than I ever could. The Kindle versions are all less than 7 USD on Amazon (Japan or USA). That's really not expensive at all, and you'll feel better about yourself.

Dear Readers,

Hey, blank page! So I guess I get to write you a note! Long time no see! (Gosh, has it been over a year?) I hope you've all been doing all right, and I hope the wait wasn't too long. But... if it's any consolation, I think you'll find it was worth it. You'll see what I mean! (Pay close attention to the page before the Table of Contents for a hint of things to come.)

I guess this is it. The series is soon coming to a close. I've had a lot of fun working on this, so I hope you've all enjoyed the series so far as much as I have. As always, thank you for reading!

Ah, Mom? Yes, it's Ryouko.
Is now a good time? Ok, good.
So... our conversation earlier? About that...
Yeah, right.
I've decided. I'm going to Canada.
Yeah.
Yeah.

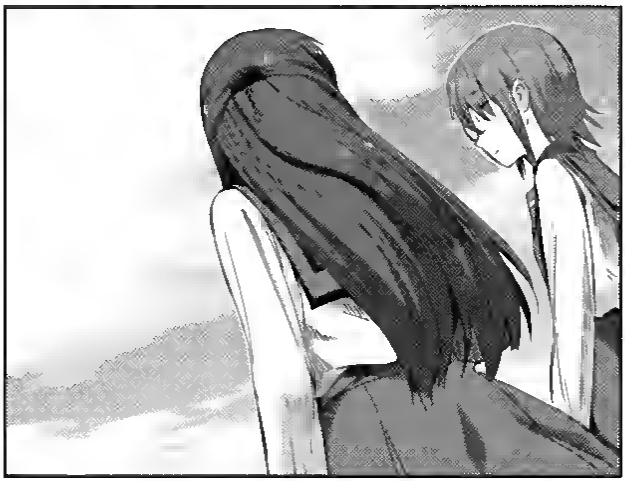
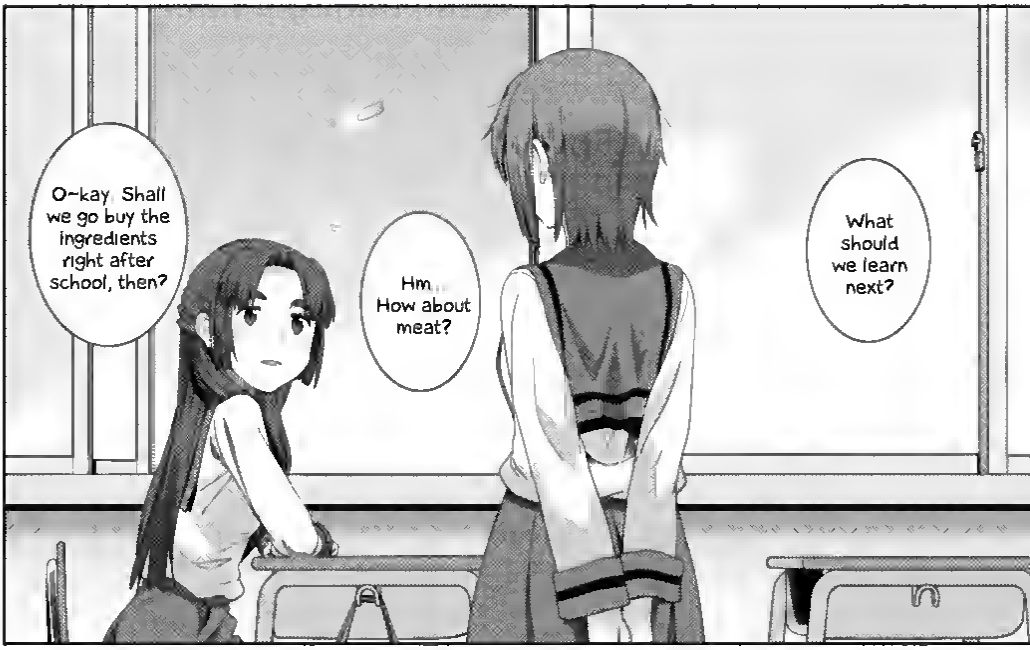
The new semester: Senior Year





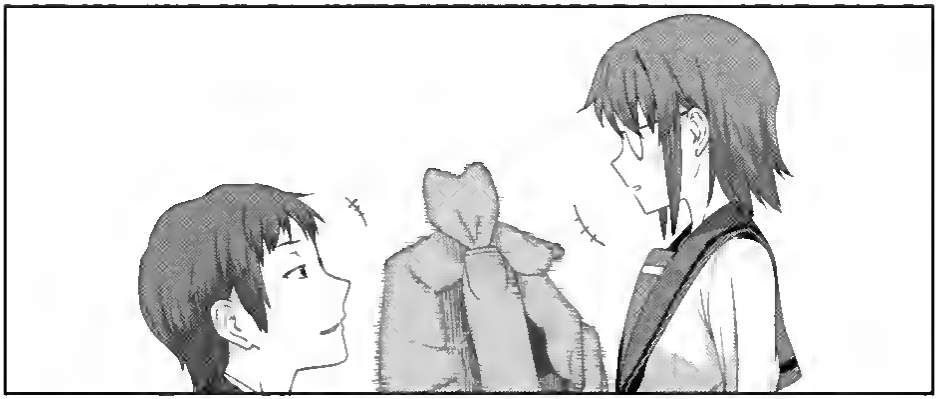
O-kay. Shall we go buy the ingredients right after school, then?
Hm... How about meat?
What should we learn next?

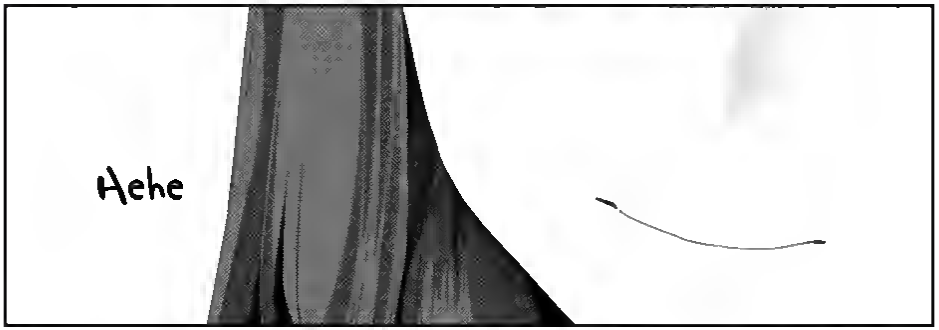
The game that Nagato recommended to me was hard
Aw, you know you shouldn't stay up late...

Heeey.
Yoown
Ah, good morning
Morning Don't you look sleepy

Whaaa...
You- you betrayed me Nagato. I trusted you.
And just when Nagato stopped staying up late... Geez.
What- really?
What are you talking about...? She has to get up early to prepare side-dishes for you, right?
Ah-!
I knew that, Nagato. Thank you, as always!
It's nothing I do it because I like to.
Oh, no! Asakura. Nagato's mad at me!
Well, naturally.

I'm not upset...
Nagato, I'm sorry.
That's all it took?!
Oh? Really?
Ah, that reminds me You know that rare item? It showed up
But I'm not upset.
Shoot Gotta find something nice to distract her with
It's 'cause I was half asleep the whole time
Well, I guess you'd have to stay up late for that, right?
About five hours, I think
How long did it take?





Hehe

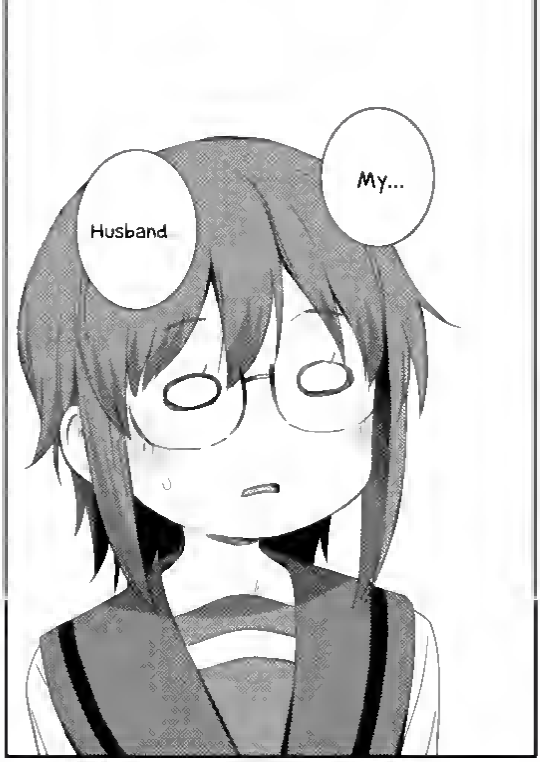
Wow... It looks like you put a lot of work in for potato salad.
After making preparations, I felt it was safe to finally let her fly solo.
For today's dish, I tried making potato salad.
Mm-hmm
After this, you can continue to add things to your own repertoire without much trouble, right?
Then the day that I get to eat a lunch entirely made by Nagato is getting closer, huh?



My...
Husband

Ooo, did you hear what your husband said?
Do you wanna give it a shot tomorrow?

Yeah, yeah ...

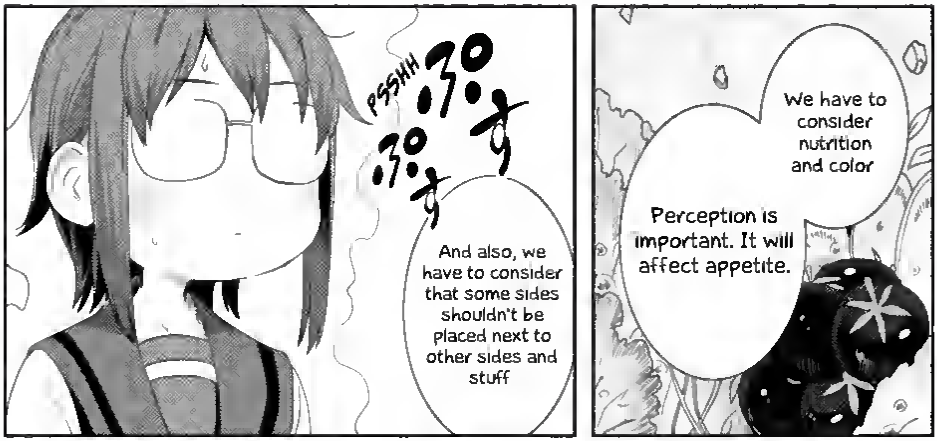
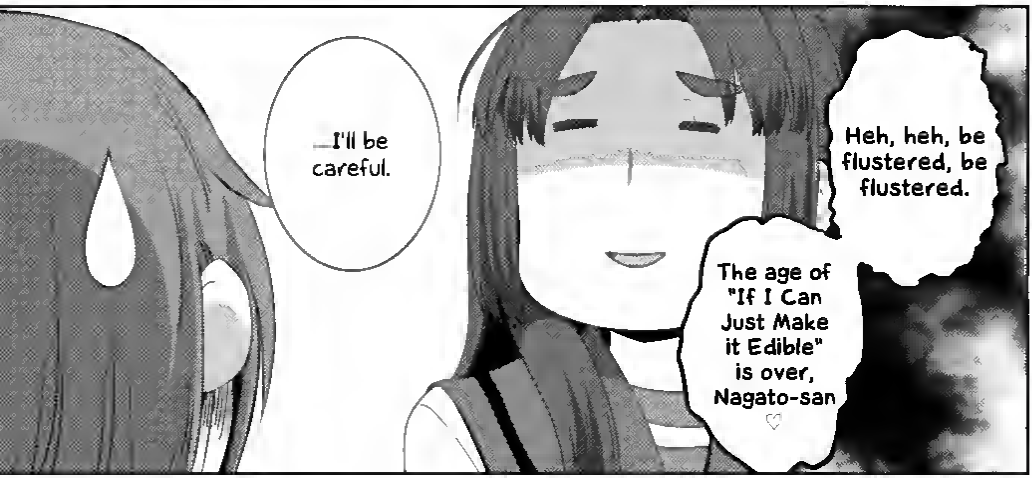
Asakura, I thought we put a ban on that kind of teasing.

From now on, we'll have to think about balancing the side dishes
Y-yeah I guess
But, it should go without saying that some more variety would be good



PSSHH
And also, we have to consider that some sides shouldn't be placed next to other sides and stuff
We have to consider nutrition and color
Perception is important. It will affect appetite.



...I'll be careful.
Heh, heh, be flustered, be flustered.
The age of "If I Can Just Make it Edible" is over, Nagato-san ♡

That's enough, Kyon-kun! Just eat now while you're hungry.
No, but...
I said, enough!

But, uh... if you always want to show off hard stuff, you'll get your priorities messed up just like this, so watch out Nagato-san
Hey... Asakura-sensei. Thank you for everything.

Ahnnn
...nnn...
Well...

It's finally our third year...
So...
We're seniors. We've become important.
Should we invite some incoming students, or...?

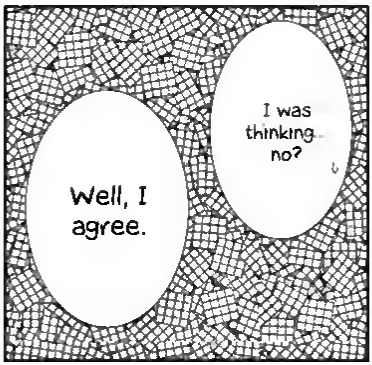
How about it?
Club President?
Huh? What?

Ah...
We're asking you if we should invite new students.

It's not like we do what the sign says anyway.



Well, I agree.
I was thinking no?

You're right. If we invite new members now, then we'll probably just make them feel uncomfortable.
Our seniors have also already graduated, so...

It was really more of a thing for the current members and our seniors anyway

I guess that makes us five...
...the best members!

Heh, heh... I see that our club is united!
Right, Yuki? And everyone?

Let's all...
Have a great final year!

HEY!
THAT MAKES US REALLY EXCLUSIVE!!!

And thus, the common cause for their rather hopeless course was settled.
Why wouldn't it be?
True feelings aside, I wonder if this is okay ...?
The atmosphere is nice and all, but is this really okay?
